ANIMAL TRACKS
Tracks are all over from our barnyard friends. Can you match each track to the right animal?

PIGS VS. CHICKENS
Somebody chooses for pigs, and somebody for chickens. Take turns connecting dots to build fences. Every time you build a pen (full square), write your letter inside. When all the fences are up, the one with the most pens wins!

RING HAPPY THE COW’S BELL
Put a penny in the starting area. Take turns flicking the penny. Every time it touches Happy the Cow’s bell, it rings. First one to ring it five times wins!
