

# ANC 2016

## Warning! Solicitation by Unauthorized Companies

There has been a rash of unauthorized companies soliciting our exhibitors related to various services, from housing to attendee lists. This is just a reminder that SNA has a list of Official ANC 2016 Vendors. We recommend that our exhibitors avoid working with any vendor that is not on this list but is claiming that they are working with or for SNA. Please do not respond to their emails or calls. Do not provide them with credit card information. You are welcome to contact SNA at any time to confirm the status of a vendor. Unfortunately, SNA has no control over the false claims that these unauthorized vendors make and is not able to assist in resolving issues that arise when our exhibitors enter into agreements with unauthorized companies.
