

## Attendee Info & Tips

### Getting to Your Hotel

There are several options from and to the McCarran International Airport: taxis, Ubers, onsite shuttle companies and limos, rental cars, and ADA/Medical transportation.

- Taxis are located outside of the east side of baggage claim, outside door exits 1 to 5. Taxis costs between \$16 to \$20, for up to five people. *Please note: Most, but not all, taxis accept credit cards so make sure to ask your driver before the ride starts.*
- There are a variety of shuttle/limousine services available and are located on the north and west sides of baggage claim, outside door exits 8 to 14. Shuttles drop off at all the major strip hotels and Mandalay Bay is usually either the very first drop off or the very last drop off; shuttles generally cost \$7 to \$8 per person.
- Ubers and/or Lyfts can be requested from the airport and rates range from \$12 to \$35, depending on the vehicle/service.

### Hotel Information

All conference-related activities will be held in the conference center of Mandalay Bay. The three hotels SNA has contracted with this year are all connected, with direct access to the conference center. We also want to take this opportunity to reassure you or anyone concerned about safety in Las Vegas in the wake of the tragedy last fall. All throughout the city, there is a commitment to tighten security measures to protect nearly 43 million annual visitors. SNA is working with its hotel partners to address both safety and emergency preparedness.

**Tax Exemption:** Hotels do not honor tax exemptions.

**Credit Card Authorization:** School districts paying hotel expenses by credit card must contact the hotel for credit card authorization form and fax completed form to hotel two weeks prior to arrival.

### Registration & Badge Pick-Up

Like last year, SNA will have two satellite registration desks: one will be in the lobby of the Mandalay Bay Hotel and the other will be in the lobby of the Luxor Hotel. These registration desks are intended for those who just need to pick up their badge and materials. Any more complicated requests, changes to registration, or the ability to register on-site will need to be done at the registration area at the Mandalay Bay Convention Center. This satellite registration desks are provided so that those who just need to pick up their materials do not need to make their way over the convention center before it is necessary to do so. The satellite registration desks will be open Saturday through Tuesday during the same times as the registration at the Mandalay Bay Convention Center. It will not be open on Wednesday or Thursday.
