Do you know someone with demonstrated leadership qualities who is committed to life-long learning and a career in school nutrition?
Help them shape the future of SNA!

The SNA Future Leaders Program provides hands-on training to new and future leaders of the School Nutrition Association. Future Leaders are given the opportunity to network with other emerging SNA stars from across the country, hone their leadership and communication skills, and learn from seasoned SNA leaders in a fun, refreshed, and interactive learning environment.

Nominations for the 2015 class of the SNA Future Leaders Program will be accepted from state associations by February 27, 2015. All nominees must be active SNA members who hold a SNA Certificate in School Nutrition or the SNS-credential.
