NATIONAL SCHOOL BREAKFAST WEEK
MARCH 5–9, 2018

I ❤️ SCHOOL BREAKFAST

Students who eat school breakfast are more likely to:

- Reach higher levels of achievement in reading and math
- Score higher on standardized tests
- Have better concentration and memory
- Be more alert
- Maintain a healthy weight

THE SCHOOL BREAKFAST PROGRAM SERVES OVER 14 MILLION CHILDREN EVERY SCHOOL DAY.

PARENTS! Hectic mornings? Your child has healthy breakfast options at school!
