

Event Policies & Waivers

The School Nutrition Association's (SNA) School Nutrition Industry Conference (SNIC) and related activities are open only to professionals (current or retired) working in school nutrition programs in the K-12 school foodservice segment, industry representatives serving that segment, and professionals administering child nutrition programs at the state and federal level. Registration is required for admittance. SNA reserves the right to exclude any unauthorized persons and persons whose conduct is inappropriate or interferes with any SNIC activity from the conference facilities, including meeting rooms.

SNA is committed to enabling access to all meeting activities, including dietary restrictions, to the extent reasonably possible and as required by law. To discuss or notify SNA about your access needs, please email meetings@schoolnutrition.org no later than **December 12, 2019**.

Participation in SNA's 2020 SNIC may give rise to occasional instances of loss or injury. Except as may result from the deliberate actions of the Association, SNA does not and cannot assume any liability for adverse reactions to food, beverages, physical conditions, products, machinery, or other individuals one may encounter while visiting the Tabletop Displays and participating in SNIC-related activities. Please inform the exhibiting company and/or SNA staff if you have any dietary allergies or restrictions. They will make every reasonable effort to identify ingredients that may cause allergic reactions for those individuals with known food allergies or affect restricted diets. However, because of the number of different ingredients and menu items made available throughout the Tabletops and at various SNIC activities, and the individual nature of allergic reactions, it cannot be guaranteed that every allergen or restricted dietary ingredient in foods or beverages available for consumption will be identified and labeled. Consumers who are concerned with food allergies or dietary restrictions must be aware of this risk and attendance at SNIC constitutes an agreement to waive and release any claims against SNA, its employees, members and representatives arising from allergic conditions or dietary restrictions.

Attendance at SNIC constitutes an agreement by the registrant for SNA to take and use photos, video and audio tapes in public spaces during the conference and related events. SNA may make photographs, videos or recordings of SNIC events, which may include the likeness or participation of attendees, and reproduce them in future educational, news or promotional materials, whether in print, electronic or other media, including the SNA website and its social media channels. Attendance at SNIC constitutes a waiver and release any claims against SNA and its employees, members, and representatives, as well as granting SNA permission to make, use, and distribute such items, without payment or compensation.

Refunds if you are unable to attend, minus a \$75 administrative fee, will be made if you notify SNA Headquarters in writing on or before **December 9, 2019**. You may submit your cancellation request via email to meetings@schoolnutrition.org. No refunds will be made on cancellations received after December 9 or for NO-SHOWS. Refunds and/or credits will be issued 30 days AFTER the conference.
