Innovative Solutions Showcase

Description and Purpose
As a school nutrition professional, are you wondering how you will determine what new products, service, or pieces of equipment you will need for the upcoming school year, or perhaps even during the summer as you continue to feed kids during this pandemic? If so, you will not want to miss this opportunity to participate in up to ten industry presentations per week through SNA’s New Innovative Solutions Showcase.

The Innovative Solutions Showcase will be similar to the Innovative Solution Sessions we offer at SNIC; however, these will be offered virtually. We understand that School Districts still need to place orders for product, services, and equipment for not just the coming school year, but potentially to meet the need of continuing to feed kids throughout the summer. The unique advantage of this format is you can make be introduced to new products, services and equipment without having to travel far from home, as well as interact with the industry reps to ask any questions you might have.

How It Works
We will be using the Zoom Platform for this exciting opportunity and the showcases will be hosted in 3-hour blocks, 2 days a week (Monday and Tuesday) over the course of 4-8 weeks.

Timeline would be as follows:

1:00-1:05 Intro and Welcome
1:05-1:35 Intro 1st Innovative Showcase
1:35-1:40 pm: Break
1:40-2:10 pm: 2nd Innovative Showcase
2:10-2:15 pm: Break
2:15-2:45 pm: 3rd Innovative Showcase
2:45-2:50 pm: Break
2:50-3:20 pm: 4th Innovative Showcase
3:20-3:25 pm: Break
3:25-3:55 pm: 5th Innovative Showcase
3:55-4:00 pm: Closing
Primary Audience
The target audience is managers and directors, though all members are invited to participate.

Timeline
Our first set of Innovative Solutions will be offered through this Showcase starting Monday, August 3rd and Tuesday, August 4th.

Fees
This Showcase is being offered on a complimentary basis to all operators.
