Summary of Hiring Requirements for School Nutrition Program Directors

SNA is your resource for professional standards!

School Nutrition Directors – those hired on or after July 1, 2015 – are subject to the new education requirements below. Additionally, at least 8 hours of food safety training is required either not more than 5 years prior to their starting date or completed within 30 calendar days of employee’s start date. Existing School Nutrition Directors will be grandfathered in their current positions as well as in the Student Enrollment category where they are working. (School Nutrition Directors are individuals responsible for the operation of school nutrition for all schools under the education agency (LEA).

Minimum Requirements for Directors	Student Enrollment 2,499 or less	Student Enrollment 2,500 – 9,999	Student Enrollment 10,000 or more

USDA Professional Standards Summary of Continuing Education Requirements for ALL School Nutrition Employees

SNA is your resource for professional standards!

REQUIRED TRAINING FOR ALL SCHOOL NUTRITION EMPLOYEES

New and Current Directors

For School Year 2015-2016 ONLY: at least 8 hours of annual continuing education/training.

Beginning school year 2016-2017: at least 12 hours of annual continuing education/training.

This required continuing education/training is in addition to the food safety training required in the first year of employment.

New and Current Managers

For School Year 2015-2016 ONLY: at least 6 hours of annual continuing education/training.

Beginning school year 2016-2017: at least 10 hours of annual continuing education/training.

New and Current Staff

For School Year 2015-2016 ONLY: at least 4 hours of annual continuing education/training.

Beginning school year 2016-2017: at least 6 hours of annual continuing education/training.

New and Current Part-Time Staff (less than 20 hours per week)

Each year, at least 4 hours of annual continuing education/training (regardless of number of part-time hours.)

If hired January 1 or later, an employee may only complete half of the required training hours for that school year.

Training is an approved use of State Administrative Expenses (SAE) funds and a variety of training formats are allowed. States may use contractors or partner with other organizations (School Nutrition Association and National Food Service Management Institute, etc.) to provide training.
