Membership Committee Fact Sheet

What is the Membership Committee?
The Membership Committee is one of the School Nutrition Association’s (SNA) Strategic Committees. The Committee has the responsibility to provide input and suggestions regarding SNA membership. The Committee reviews, assesses, and recommends member services for SNA membership. They provide input to SNA marketing and membership staff on concepts and plans to promote SNA programs and services. In addition, they help build grassroots support for member recruitment and retention by supporting the efforts of state membership chairs and encouraging participation in campaigns and challenges. The committee members provide training for state leaders at SNA meetings, as well as fun and high-visibility ideas for building membership.

What are the Committee Responsibilities?
- Provide input and suggestions on SNA membership and member programs and services.
- Promote SNA membership and member services at state conferences.
- Review policies pertaining to membership as requested by the Board of Directors.
- Discuss and assess what is and is not working with SNA membership recruitment and retention efforts.
- Judge and select regional and national Director of the Year winners.

How is the Committee’s work planned each year?
- Every Committee is provided annual committee charge(s) based on the SNA Strategic Plan and the annual Plan of Action as well as other charges identified by the Board.
- The Committee receives the charges every year in mid- to late-September.

How is the Committee organized?
The committee is led by an appointed chair who serves for a two-year term. Committee members represent each of the seven SNA regions. Appointments are staggered and each appointment is a two-year term. The Committee is supported by a SNA staff liaison who works with the Chair and committee members.

How often does the Committee meet?
SNA committees will hold a combination of in-person and virtual meetings depending on the workload of the committee. SNA Board policy requires committee members to attend all meetings. The Board has made the decision to not hold Fall Committee Days in person this year. Instead, all committees will meet virtually through the end of 2021. No decision has been made regarding whether in-person meetings will resume in 2022.
Who pays committee member travel expenses?
Should in-person meetings resume, SNA would pay for all the travel, hotel, and meal expenses for operator committee members to attend the meetings. A travel policy will be provided if/when in-person meetings resume. SNA does not cover the airline and hotel costs for industry committee members to attend the in-person meetings. This is a common practice for professional associations.

General SNA Committee/Council Member Position Description and Responsibilities
