

SPEAKER AGREEMENT

SNA requires every speaker to present a non-commercial, pre-conference or education session. We ask every presenter to commit to this responsibility by reading and signing the agreement.

RULES & GUIDELINES

1. I agree to present the session as listed in the notification letter and in SNA's marketing information. I will address the title and topic information as specified.
2. I understand that in order to provide the participants with electronic handouts for the session, I will need to comply with the submission deadlines and requirements listed. I understand that my presentation and any other handout materials are subject to SNA review and approval. Should I wish to provide any printed handout materials, I am responsible for duplication, shipment, receiving, on-site storage, and delivery to the meeting room. Handouts are informational pieces directly related to your presentation.
3. During my presentation, I **will not** engage in any type of promotional marketing, selling of any product(s) or service(s), promote exhibit booth(s) or distribute any products, merchandise, or provide food samples/food tastings or live culinary demonstrations. If the speaker does not adhere to this rule, he/she will be prohibited from speaking at any SNA conference for one year.
4. I agree to notify SNA's Education Assistant immediately in the event that an emergency should prevent me from meeting my obligation.
5. I warrant and represent that, to the best of my knowledge, nothing in my presentation violates any proprietary or personal rights of others, is factually accurate, and contains nothing libelous or otherwise unlawful.
6. I further warrant and represent that my presentation is my own original work, that I have the authority to enter into this Agreement, and that I am the sole copyright holder or that I have obtained all necessary permissions or licenses from any persons or organizations whose material is included or used in my presentation.
7. I authorize SNA to use my name, likeness, photograph, and biographical data in connection with the use of promotion of the conference and my presentation.
8. I understand that SNA offers industry members the opportunity to sponsor different components of ANC, including but not limited to education session tracks and executive summaries of sessions. I am aware that my education session could be placed within a sponsored education session track, or covered in an executive summary sponsored by an industry member. I also understand that SNA clearly communicates to all attendees that meeting sponsorships, products, services, or expressed ideas do not constitute or imply endorsement or recommendation by SNA.
