

In conjunction with the National Leadership Conference

SNA Future Leaders Program

May 4-6, 2017
Baltimore, Maryland

**Nominate an
emerging leader!**

2016 Class of SNA Future Leaders
National Leadership Conference, Minneapolis, Minnesota

Do you know someone with demonstrated leadership qualities who is committed to life-long learning and a career in school nutrition?

Help them grow personally and professionally as a leader!

The **Future Leaders Program**, taught by SNA Past Presidents, provides hands-on training to emerging leaders of SNA. Participants will network with SNA members and leaders from across the country and hone their leadership and communication skills in a fun, interactive environment. Participants will also use the Gallup StrengthsFinder exercise to identify and learn how to utilize their own unique set of leadership strengths.
