FOOD DISTRIBUTION PROGRAM 2002

- 240 School Districts
- $8 Million Entitlement
- Unspent $$ @ End Of School Year
- School Lunch Advisory Council (SLAC) Decided:
  - What USDA Foods (formerly known as Commodities) to Order for All School Districts
  - The Delivery Periods
  - What 5 Or 6 Further Processed Items will be Offered Under the Statewide Processing Contract
FOOD DISTRIBUTION PROGRAM 2002

- No Department of Defense (DoD) Fresh Program
- No Electronic Commodity Ordering System (ECOS)
2002 – How We Did Business (Poorly...)

- Didn’t Look at Recipient Agency (RA) Customers as Customers
- Poor Communication (RA, USDA Partners, Manufacturers & State Contracted Commercial Distributor)
- Monthly Allocated USDA Foods
- We Played The Anticipation Game! Offered Cases of USDA Foods from a Truck that Hadn’t Arrived at the Distributor Yet. We Lost That Game Every time!
- We Didn’t Monitor State Contracted Commercial Distributor Inventories Properly;
  - Had Lost USDA Foods
  - Short Shipped Often
  - Always Had Homeless USDA Foods
2002 - ME

- I Need to Learn This Crazy Program!
- How Can I Make This Better?!
- How Do I Run FDP, Property Management, State Employee Housing, State & Federal Surplus, Telecommunications & Move 250 DAS Staff?!
2003 - Our Project Plan

• Listen to Our RA Customers!
• We Need To Get A Better Understanding of the USDA Foods Program
• Rollout ECOS to RA’s
• Communicate! Communicate! Communicate!
• RFP – State Food & USDA Foods
• Schools Procure Further Processed Foods not State Contract
• Upgrade Our Internal Software Application for Inventory & Billing (eCAFS)
• Abandon a Failed Attempt to a Pilot of ECOS with 5 School Districts for SY 04/05 – Disaster!
• Need To Create a System That Allows Us to Roll Trucks Up In ECOS and Have the Extra USDA Foods Available To All Customers (We Called It The Swap Post)
2003 – ECOS -OUR RA CUSTOMERS

• We Request Food 1 Yr Advance?!
• We Have Choice?!
• We Have to Use A Computer?!
• We Have to Go On the Internet?!
• We Receive Email Notifications Directly from ECOS?!
• No More Allocations?! We Have to Order Monthly On-line on Sysco’s System?!
• We Must Pay Sysco Directly for the Storage and Distribution Of “Brown Box” USDA Foods?!
• We Must Enter Into Contracts With Further Processors and Distributors for Further Processed Products?!
• What is FFS and NOI?!
• We Can Request USDA Foods From the Swap Post?! What the Heck is the Swap Post?!!
• What Will the FDP Folks Do While We’re Doing All Their Work?!!
2003 – FDP Staff

- Afraid of Losing Jobs
- Didn’t Feel Appreciated
- No Vacation - Allocations
- Sick Time Up - Especially During Allocations
- Always Receiving Angry Calls From RA Customers, Vendors and Commercial Distributor
2003 – Further Processors & Commercial Distributors

• We Must Contract with RA’s for End Products?!
